

Expertise

- ☑ Ecological and Biodiversity Surveys and Reporting (including aquatic macroinvertebrates)
- ☑ Flora & Fauna Surveys (terrestrial, marine and aquatic)
- ☑ Threatened Species Monitoring and Management
- ☑ Vegetation and Fauna Management Plans (native, pests and threatened species)
- ☑ Design of Fauna Friendly Road Structures, Monitoring and Population Studies
- ☑ Community Education and Training
- ☑ Weed Management Plans and On-ground Works (Restoration / weed control)
- ☑ Fauna Spotting and Fauna Management (spotter/catcher)
- ☑ Vertebrate Pest Animal Management (including trapping and relocation)
- ☑ Revegetation, Rehabilitation Plans and On-site Management (planting and maintenance of parklands, bushland and wetlands)
- ☑ Landscape Design and Landscape Maintenance
- ☑ Wildlife Trap Design and Artificial Habitat Design (fauna microhabitat)
- ☑ Habitat re-instatement and Nest Box Installation, Monitoring and Reporting

Projects

Ecological / Environmental Assessments

- ☛ Flora and Fauna Survey and Biodiversity Assessment, Mining Industry
- ☛ Fauna Diversity and Habitat Assessment, Ipswich Motorway Upgrade Wacol to Darra
- ☛ Flora and Fauna Survey and Revegetation Managemnt Plan, Palmwoods
- ☛ Banksia to Bellara Water and Reuse Main Ecological Assessment
- ☛ Amy Street Reserve Sewer Rising Main Ecological Assessments and Fauna Management Plan, Caboolture
- ☛ Bribie Island Road Sewer Rising main Flora and Fauna Assessment
- ☛ Fauna-friendly Road Structure Advice, Ipswich Motorway Upgrade

Revegetation Services & Pest/Weed Management

- ☛ Mangrove Revegetation, Northern Access Road
- ☛ Wildlife Corridor Revegetation and Rehabilitation, Pine Rivers
- ☛ Vertebrate Pest and Weed Management
- ☛ Wetland planting and Weed Management, Black Duck Dams
- ☛ Weed Audit and Management Plans, DMR
- ☛ Aggressive Bird Relocation

Biodiversity Management (spotter catcher)

☛ Granite Creek to Agnes Water 66kV Powerline Clearing Fauna Management (48km)

☛ Bruce Highway

Upgrade Fauna Management, Morayfield to Caboolture

☛ Ipswich Motorway Upgrade - Wacol to Darra, Macropod Management Plan, Weed Management, Platypus Survey and Fauna Spotting

☛ Flagstone Creek Estate Fauna Management, (1,000ha site)

☛ Aquatic Fauna Management, Black Duck Dam Beautification, Moreton Bay

☛ Fauna Management, various projects in NSW and QLD

☛ Nest box installation and monitoring, Goodna.

Education

- ☛ 'EcoImpact' Workshops (wildlife education)
- ☛ Snake Identification and First Aid Training
- ☛ WildWatch Workshops, Brisbane City Council
- ☛ Walk on the WildSide School Holidays Program, Gold Coast City Council
